Notifications by the Government of His Highness the Maharaja of Mysore.

GENERAL AND REVENUE.

No. G. 1456, dated the 20th August 1906.

The following order of His Highness the Maharaja is published for general information:—

I. In supersession of Notification No. 36, dated the 8th August 1902, His Highness the Maharaja has been pleased to direct that the Council, therein styled the Consultative Council, shall be styled "The Council of His Highness the Maharaja" and that it shall consist as heretofore of the Dewan and two Members, whose duty it will be to advise His Highness in all important matters.

II. The following rules are prescribed for the conduct of business in the Council of His Highness the Maharaja:—

1. The work of the State will be distributed by Departments between the Dewan and the Councillors as shown in the appended statement, which will be liable to alteration at the discretion of His Highness the Maharaja.

2. Cases falling under the Schedule appended to this Notification shall be submitted by the Secretary in the first instance to the Dewan or Councillor in charge of the Department concerned, on whom will rest the initiative, entailing, where necessary, the preparation of a note for the consideration of the Council. They shall

then be placed before the Council, and submitted, with the opinion of the Dewan and Councillors, for the orders of His Highness the Maharaja, by the Dewan.

3. Cases not falling under the Schedule shall ordinarily be dealt with by the Member in charge of the Department to which the case pertains. Similarly the Dewan will deal with non-scheduled cases pertaining to the Departments under his charge. But certain important classes of cases relating to the Departments under the charge of a Member (to be specified in confidential Secretariat instructions prepared under the orders of His Highness the Maharaja) shall be dealt with by the Dewan in his capacity as the Chief Executive Officer of the State. Such cases the Secretary, after noting or drafting, shall forward to the Dewan for disposal through the Councillor or Councillors in charge of the Department or Departments concerned, who will note his or their suggestions as to the orders which should issue.

Provided as follows:--

(i) When the matter dealt with by a Councillor is one involving doubt, delicacy or importance, the papers shall, before the issue of final orders, be referred to the Dewan.

(ii) The Dewan may also, in any particular case, direct that the papers be submitted to him before the issue of final orders.

(iii) The Dewan may also call for the records in any case in order to satisfy himself as to the correctness of orders issued under the directions of a Councillor.

(iv) An abstract of the cases disposed of by each Councillor and of the orders issued shall be submitted every week to the Dewan for information.

4. Should any material difference of opinion between the Dewan and the Councillor be established with respect to a case falling under Rule 3, it will be in the discretion of the Dewan either to direct that the matter may be dealt with as though it were one falling within the Schedule, or to submit it direct for the orders of His Highness the Maharaja.

5. If, in any matter connected with a Department not immediately under his own charge, the Dewan considers that immediate action is necessary and that the delay involved in consulting the Councillor in charge of the Department is likely to be prejudicial, he may issue orders on his own authority. In all such cases, a copy of the Dewan's orders shall at once be supplied to the Member whose Department is concerned, and the proceedings shall be reported for the information of His Highness the Maharaja, with a statement of the reasons which necessitated recourse to the special powers conferred by this rule.

6. The Secretary in each Department shall work under the general or special directions of the Dewan and be responsible to him except in regard to cases falling under Rule 3, as to which the Secretary shall take the orders of the Councillor concerned.

7. A Member shall have the power to call upon the Secretary to supply information regarding a case pending before such Member, or regarding the manner of, or delay in, disposal of any case which the Member has had before him.

8. The Dewan shall regulate the order of business in Council and preside at the meetings.

9. A Journal shall be kept in which the opinions of the Dewan and Members shall be recorded.

10. The Council shall meet regularly at stated intervals. His Highness the Maharaja or the Dewan may summon a meeting of the Council whenever His Highness or the Dewan may deem it necessary.

11. Whenever the Dewan and the Councillors, or any of them, are on tour, or whenever otherwise necessary, papers may be disposed of in circulation.

12. (1) Appeals which lie to Government under Section 210 of the Mysore Land Revenue Code, IV of 1888, from the decisions of the Revenue Commissioner, in cases falling under clauses (*a*) to (*g*) of Section 221 thereof, shall be heard and decided by two Members of Council.

(2) In the disposal of the matters aforesaid, the following rules shall be observed :—

(*a*) When there arises a difference of opinion between two Members of Council on any material question pending before them, such question shall be referred to the Dewan, and the decision of the Government shall follow the opinion with which the Dewan agrees;

(*b*) No order of a subordinate officer shall be modified or reversed without due notice of the hearing of the case to the party whose interests will thereby be affected;

(*c*) Any party appearing in person will be duly heard, provided that a woman or a minor may appear by her or his next friend or guardian.

The following Proceedings of the Government of His Highness the Maharaja of Mysore, are published for general information :—

READ—

Government Notification No. R. 9172—L. R. 353-05-2, dated the 5th January 1906, sanctioning revised rules relating to the scheme for improving the Shekdari service.

No. R. 2309-21—L. R. 150-06-1, DATED BANGALORE, 20TH AUGUST 1906.

ORDER THEREON.—The rules issued on the 5th January last are found to require further revision in the following respects :—

2. The minimum educational qualification prescribed for admission, *viz.*, the passing of the Matriculation Examination, will, it is feared, exclude persons belonging to classes backward in education, such as Mahomedans who make excellent Shekdars. It is therefore proposed to lower it in such cases to the passing of the Mysore Lower Secondary Examination. It is considered unnecessary to lay down what classes are to be deemed backward in education, as no general definition is possible or necessary. The Deputy Commissioners of Districts taking action under Rule 5 will exercise their discretion in each case.

3. The differentiation of the Local Service Revenue Test into a Higher and a Lower grade, so as to meet the case of the smaller officials, for whom the present Revenue Examination is too high, is under contemplation. Candidates for Shekdari need pass the Lower grade only.

4. The standard in Engineering, prescribed in the existing rules, is found to be too high and elaborate for the class of officials under consideration; and difficulties have, moreover, been reported to exist in arranging for the training in the Mysore Engineering School of even the first batch of candidates sent to it. It is therefore proposed, firstly, to simplify the course of study, secondly, to reduce the course of training from one year to six months, and thirdly, to arrange in connection with the Police Training School at Bangalore (where facilities for teaching Drawing and Surveying to Police recruits already exist) for the formation of a regular Engineering class, with additional teachers if necessary. Admissions to the class of candidates for the Shekdari service will be made under the orders of the Revenue Commissioner on the recommendation of Deputy Commissioners of Districts.

5. The rule in regard to ability to ride has been simplified.

6. The training in Surveying will be given in the Engineering class itself, and it is considered unnecessary to attach candidates to measuring establishments or to District Surveyors.

7. It is considered inexpedient to reserve power to appoint candidates who do not possess all the qualifications on the date of their appointment, as in the existing rules.

8. The existing rules do not provide for Shekdars of the old school who are not Matriculates qualifying under the new scheme. Many of them are capable and deserving men whom it would be undesirable and unfair to shut out altogether from its scope. It is therefore provided that such persons whether belonging to Schedule B or C shall be admitted to the benefit of the new scale on their passing the Revenue Test (Lower grade) and qualifying themselves in the Engineering subjects specified in Rule 6. In order to enable them to qualify themselves in the latter respect, full pay will be given them during the period of their training in the Engineering class, on the analogy of what was ordered in the case of Police Inspectors when the Police Training School was started in 1893. Other candidates in service must possess the general educational qualification laid down, and they will be given half pay while in the Engineering class. Those who fail the first time will not be allowed the concession a second time.

9. The Revenue Commissioner will arrange in consultation with the Inspector-General of Police and the Chief Engineer for the opening of an Engineering class as soon as possible in connection with the Police Training School. The Chief Engineer

will be requested to depute a qualified Public Works subordinate, competent to teach the Engineering subjects prescribed, for employment in the Police Training School; and if necessary, the Survey and Settlement Commissioner may be asked to lend the services of a Measurer for teaching surveying, measuring, the sub-dividing of fields, etc.

10. With these remarks, the Government of His Highness the Maharaja are pleased to issue the following rules in supersession of those published with the Notification of 5th January 1906:—

RULES.

1. From the 1st of July 1904, the pay of Shekdars shall be Rs. 35 for the first class, Rs. 30 for the second and Rs. 25 for the third.

2. The total number of Shekdars shall be 374; and their number in each class shall not exceed the following proportion:—

Twenty per cent of the total number in the first class, *i.e.*, 75 at Rs. 35 each.
Thirty per cent of the total number in the second class, *i.e.*, 112 at Rs. 30 do.
Fifty per cent of the total number in the third class, *i.e.*, 187 at Rs. 25 do.

3. Shekdars will draw a horse allowance of Rs. 10 each per month, and the malnad allowance, wherever allowed, will continue as heretofore.

4. Every Shekdar shall keep a decent riding pony, and spend at least twenty days in every month on tour in his hobli.

5. No one shall be eligible for appointment as a Shekdar under the new scheme

(1) who has not passed a University Examination not lower than the Matriculation, unless, in the opinion of the Deputy Commissioner of the District, he belongs to a class backward in education, in which case a pass in the Mysore Lower Secondary Examination may be accepted as sufficient;

(2) who is above the age of twenty-five years, unless he be already in service;

(3) who is not pronounced physically fit by a Medical Officer not inferior in rank to a District Medical Officer;

(4) who has not passed the Local Service Revenue Examination (Lower grade);

(5) who is not able to read and write Canarese with facility.

6. (1) Candidates satisfying the conditions mentioned in Rule 5 shall undergo instruction in the following subjects for a period not exceeding six months in the Engineering class attached to the Police Training School at Bangalore:—

(1) Building—Drawing and Estimating (Elementary).
(2) Building Materials and Construction (Elementary).
(3) Mensuration (do).
(4) Earthwork, road-making and tank repairs (do).
(5) Chain surveying.

(2) Applications for admission to the Engineering class shall be made to the Deputy Commissioners of Districts, who shall satisfy themselves that the qualifications of the applicants are as laid down in Rule 5, and then forward the applications to the Revenue Commissioner for orders of admission to the class.

7. On completing the course of study prescribed in Rule 6 and obtaining a certificate of qualification therein, a candidate will be eligible for appointment as a Shekdar on the occurrence of a vacancy, provided that the Deputy Commissioner is satisfied that he is able to ride.

8. (1) Shekdars already in the service of Government, who have passed the Mysore Local Service Revenue Examination (Lower Grade) and who wish to avail themselves of the benefit of the new scale, shall be required to qualify themselves under Rule 6. During the period of their training in the Engineering class, they shall receive full pay, without allowances; and the men appointed to act in their places will receive Rs. 15 per mensem plus horse allowance and Malnad allowance if any.

(2) In the case of other persons in Government service, all the qualifications laid down in Rules 5 and 6 shall be insisted on. And during the period of their training in the Engineering class, they shall receive only half-pay, acting arrangements to fill their places being made within the remaining half.

9. In the introduction of the new service in place of the old, the existing Shekdars shall be replaced gradually, and men qualified under the rules will be appointed as vacancies occur.

10. Promotions from the third class to the second class, and from the second to the first in the new scale shall be regulated in the following manner:—

(1) Till the maximum number of vacancies is filled up in each class, two years' efficient service in one class of a Shekdar qualified as above will entitle him to promotion to the next higher class;

(2) when the full number of Shekdars in the first and second classes is appointed, promotion will be regulated by vacancies occurring from time to time, and will depend upon the comparative merits, qualifications and services of men in the lower classes.

11. No Shekdar that does not qualify himself as herein laid down shall be entitled to the pay of any of the new classes, but shall get only the pay to which he is entitled under the old Rules.

12. The following duties shall be performed by Shekdars:—

(*a*) Collecting Sayer duty where no special agency for the purpose exists, and supervising the work of Sayer Karkuns where such are employed.
